

**Sale Name:** Unquestionably Un-Ordinary Unique Antiques! Penny Arcade Machine, Phonograph & More!

**LOT 1 - Antique Penny Shock Arcade Machine**

**Description**

Good Condition

Machine appears in overall good condition with mostly original parts. Machine has been painted in the past(see photos), also there is a missing rubber foot and some

minor rust spots. Handle turns freely and key is included, front of machine is easily removed. There is some minor corrosion on the interior components, however, the Dry Cell battery does not appear to have leaked or caused significant damage. See photos of interior components.

**Quantity: 1**
