

**Sale Name:** Undeniable Beauty of United States Banknotes!

**LOT 39 - North Dakota Embossed \$2 Note**

**Description**

Excellent Condition

Includes a North Dakota, 2003 \$2 Bank Note, Embossed by The World Monetary Reserve Exchange which started issuing a series of \$2 Bills with state names and depictions embossed on them. Although it is considered legal tender, it was not issued by the Federal Reserve. Mostly considered a collectors item that was reissued by The World Monetary Reserve Exchange out of Ohio after being Embossed. Note is encased in plastic, see photos for condition and included item.

**Quantity:** 1
